

Dear Families of Prospective Students:

We are excited about your interest in Vineyard Christian School! As we continue to grow and expand, we pledge to continue our commitment: "To help equip students for life, ministry and mission". Our programs focus on meeting the needs of the whole student and fostering the development of each child.

At Vineyard Christian School we offer a balanced curriculum that sets high academic standards in an environment that assures security, creativity, acceptance and love. We believe a child's education must be well-rounded academically and enhanced by exposure to the arts, technology and athletics. We strive to accomplish our mission by working with our students and their parents to achieve excellence in academics, social skills and emphasize biblical truths and understanding biblical worldview. A personal relationship with Jesus Christ and students modeling Him in their everyday life is our focus.
