

## 2011/2012 FUNDRAISING AGREEMENT

Each year our school has traditionally had numerous fundraisers to enhance and provide needed curriculum, equipment and improvements to the campus and classrooms. Fundraising is vital to not only enhancing our school but it also helps us to keep tuition costs down. This year, *in lieu of hosting a Jog-a-thon, Auction or Fall Basket drive*, we are asking each family to partner with us through Scrip. Each family will be asked to reach an annual donation of \$250 for our school. You will have several options which are detailed below as to how you would like to meet this annual requirement.

### GUIDELINES:

1. Each Family is required to meet a \$250 fundraising donation by April 30<sup>th</sup> of each year.
2. Families are encouraged to utilize our Scrip Program for purchases that you make every day (like groceries, gas and dining out) to **minimize or eliminate any additional cost to you**.
3. The estimated monthly amount of Scrip that would need to be purchased is approximately \$550.00 per month.
4. There are a variety of methods to participate in Scrip which are listed on the Scrip Educational Guide.
5. Purchases will be tracked per family and others may contribute toward your fund.
6. Funds raised in excess of your family requirement will be split 75/25 and the 75% will be “banked” in your account to be used for educational purposes (i.e. Tuition, Registration, camps, extra-curricular fees). Funds cannot be given as cash.
7. A quarterly report will be provided for each family.
8. If a family does not meet their required \$250 donation by April 30<sup>th</sup>, the balance will be added to your tuition account and must be paid by June 1<sup>st</sup>.
9. In the event of a student’s early withdrawal from or late start to school, your account will be prorated for any amounts due.
10. Any family may choose not to participate in Scrip and make a one-time donation of \$250 or add a monthly amount to their Facts Accounts depending on their plan.
11. You may also ask friends and family who normally support our fundraising efforts to donate on your behalf either via scrip or through cash donations.

### PAYMENT OPTIONS:

- I will participate in Scrip.
- I will make a one-time donation of \$250 that is due by October 1<sup>st</sup>
- I will make monthly payments via my FACTS Account.
- I would like to add \_\_\_\$10, \_\_\_\$15, \_\_\_\$20, \_\_\_\_\_ other amount to my donation either as a one- time payment\_\_\_ or every month via FACTS\_\_\_\_\_.
