Vineyard Christian Preschool

Partners With Parents

It is Vineyard Christian Preschool's philosophy that we are partners with parents, working in the process of educating, nurturing and caring for young children. We believe in the "Whole Child" approach to learning that focuses on meeting a child's individual needs as well as supporting their development spiritually, socially, emotionally, physically and cognitively.

Through creative utilization of all available resources our gifted and extensively trained teachers pursue all educational opportunities. This gives your child a well balanced early educational experience which will help ensure success throughout their school years.

In keeping with our "Whole Child" approach to learning, we strive for the optimum balance in classroom experiences. We offer an academic/developmental curriculum which presents both structured and non-structured activities, affording the children a wide variety of hands-on learning opportunities throughout the day.

As a Christ centered Program we believe in sharing God's love with the children by teaching them biblical truths through daily Chapel which includes worship, bible stories and prayer time.

Admission

Vineyard Christian Preschool is licensed by the State of California to accept children between the ages of 18 months and 6 years.

Toddler Program

We offer "Toilet Training" in our brand new Toddler Room, for children 18 – 30 months old. The toddler curriculum includes: language and literacy, art, music, large and small motor skill development as well as indoor and outdoor learning centers.

Preschool Program

Our Preschool Program is designed for children who are 2 and potty trained through 6 years of age. The curriculum encompasses every aspect of development in these critical early years including, language, literacy, art, music, math, science, as well as motor growth. Each of our five classrooms is equipped with age appropriate furnishings and educational resources which enables the teacher to provide your child with the optimum tools for success.

Along with our regular curriculum, children in our program have the opportunity to participate in weekly music class and library. We also have several annual all school events including our Thanksgiving Feast, Christmas Program, Valentines Day Pancake Breakfast, Mother's Day Luncheon and Father's Day BBQ!
